

Skill Review: Comprehension Strategy

Developing readers need frequent opportunities to review and solidify previous learning.

Brief review activities might include revisiting:

a comprehension strategy.

(i.e., questioning, inferring, or predicting)

Skill Review: A Phonic Concept

Developing readers require frequent opportunities to review and solidify previous learning.

Brief review activities might include revisiting:

1. **Phonic concepts** (i.e., digraphs)
2. **Grammatical concepts** (i.e., punctuation, suffixes)
3. **Sight words** (non-phonetic, high frequency words)
4. **Vocabulary**
